

UBC's Okanagan campus in Kelowna offers a variety of summer accommodation options to groups and individuals between mid-May and mid-August.

Experience a modern student room or suite on a beautiful and tranquil campus, 20 minutes from downtown and across from the Kelowna International Airport.

Walk the campus and enjoy the views, the beautiful landscaping and the academic buildings with their various architectural styles. Grab a coffee at a cafe, have a meal in one of the eateries or relax around the fountain in the courtyard.

The Front Desk is located in the Nechako residence building at 1255 International Mews. We are open 24/7 so please feel free to drop in anytime if you have any questions about your accommodation or where to go in and around Kelowna or the Okanagan. Our front desk staff are UBC students who know the Kelowna area well.

Your unit is setup with linens and towels. Bar soap is provided - suites and apartments receive some shampoo/conditioner as well. If your room type has an equipped kitchen you will also find a starter pack of coffee/tea. Your room will not receive daily housekeeping services. If you are staying for a longer period of time, your unit gets a full cleaning including fresh linens, towels and garbage removal once a week.

Where To Eat/Drink?

The campus has various places to get some breakfast, lunch & dinner or to grab a coffee and some snacks. Group dining options are available as well through UBCO Food Services: food.ok.ubc.ca/summer.

WHAT TO EXPECT WHEN STAYING WITH US...

Our student residences are not your 5-star hotel. Rooms are set-up with linens and towels and some amenities. They are clean, situated on a beautiful, quiet campus and have no frills. If you are looking for simple, clean, budget accommodation in a unique place, our summer accommodation is perfect for you.

Parking is complimentary for accommodation guests. You are required to register your car through the HONK Mobile app or website at check-in. You can park in lots F, G & R.

All rooms and suites have air-conditioning and high speed WiFi.
